

**S20 owner looking for crew/partner  
for Wednesday night racing on Chatfield reservoir.**

The Santana 20 is a great sport boat that runs a 3 man crew. Everyone is very active on this boat. It's a very fun boat to race. We've been racing Zen Tuna for 3 years now at Chafield. As I have 2 boats, I need to find a partner/crew member to share operating expenses only. We work hard to sail fast, but have fun doing it.
